WELCOME FROM THE PRESIDENT

Thank you for taking the time to look at our catalog! Kentucky Mountain Bible College is a Christian higher-education institute devoted to preparing dedicated Christians who will impact their world for Christ.

At KMBC, you will find a strong spiritual focus in every aspect of college life. A dynamic, spiritual atmosphere is evident in chapels, classrooms, workshops, dorms and on ball fields.

Another focus you will find at Kentucky Mountain Bible College is dedication to academic excellence. "Seek that you may excel" has been the motto which characterizes our attitude toward academics.

KMBC is "big enough to meet your needs, but small enough to care." Here at KMBC, you will find a family atmosphere. "We care" is not just a catchy slogan, but an attitude that prevails. On this campus, faculty and staff will listen to your hurts, pray for your needs, and be genuine friends.

During recent years, the average cost of a college education has skyrocketed, forcing many students to take out large student loans. KMBC does its best to keep down its costs so that students will not be burdened with debt. Our goal is to help students graduate debt-free or as close to debt-free as possible. Here we offer quality education at a price you can afford!

Dr. Robert D. Poca, Ed.D.
President

Kentucky Mountain Bible College offers a biblical education as well as a strong core of general education courses. Graduates from all curricula in the four-year program are awarded a Bachelor of Arts in Religion. An Associate of Arts in Biblical Studies is awarded to those who successfully complete the two-year program.

Philosophy

Every Bible college has a philosophy and vital principles which have given it birth. Kentucky Mountain Bible College is committed to academic excellence for the honor of Christ and to the following basic assumptions.

Biblical

We believe a Bible-centered curriculum is essential. Truth is centered in the triune Creator God. This truth is revealed in the inerrant, fully divinely-inspired Bible, reflected in the universe, personified in Jesus Christ, and is relevant to all people in all ages and to all fields of study. The philosophy of the college is reflected in the teaching of Bible holiness as interpreted in the Wesleyan-Arminian view.

Education is the application of these truths to students under the enlightenment of the Holy Spirit in a way that keeps Christ central and develops the whole person as a growing, maturing, responsible person with a sound, biblical worldview.

Spiritual

We are committed to the spiritual development of our students. We believe that the foundation for spiritual development is through both regenerating and sanctifying grace provided through the redemption of Jesus Christ by the agency of the Holy Spirit. Spiritual life is nurtured by maintaining a personal devotional life in cooperation with the Spirit of God, by prayerful study of God's Word, and by other means of grace.

Due to our commitment to the spiritual formation of students, we hold revival meetings at the beginning of each semester, have chapel services Tuesday, Thursday, and Friday, offer discipleship and mentoring opportunities, and require each student to participate in outreach ministry.

Intellectual

We believe that Christian servants should be well-grounded spiritually and thoroughly educated. Students are challenged by Paul's admonition, "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth" (2 Timothy 2:15, NKJV).

Since we believe that spiritual development springs from the wisdom of the Word, the Bible is the center of our curriculum. Each curriculum includes a well-rounded study of the Bible, theology, general education, and other related subjects. Because we believe that students should be able to communicate effectively, particular stress is given to grammar, composition, and speech.

Our faculty is dedicated to the development of effective ministers, missionaries, Christian educators, and laity who are committed to God's truth, intellectual pursuits, and cultural and artistic appreciations.

Social

The Word of God recognizes that human beings are social beings, and that Christian living involves social interaction. We emphasize the application of biblical principles to everyday living that leads to a fuller conformity to the perfect will of God and greater harmony with one another.

We believe that a wholesome Christian discipleship environment is conducive to the development of the whole person. Therefore, the academic year is punctuated by a variety of social functions such as cantatas, recitals, dramatic performances, and the junior-senior banquet. To develop an appreciation of the importance of the family, noon meals are served family-style. Rotating seating arrangements allow students to fellowship with many different individuals throughout the year. The Student Center is open daily, except Sunday, to provide a place for fellowship and relaxation.

Physical

The human body is “the temple of the Holy Spirit” (1 Corinthians 6: 19). We seek to develop a biblical appreciation for the body. The development of balanced nutritional habits is encouraged. Because we believe tobacco, alcoholic beverages, and illicit drugs are harmful to the body, we require total abstinence of all KMBC students, faculty, staff, and administrators. In our dedication to educate Christian workers, we emphasize appropriate grooming, which indicates self-respect and respect for others. The highest artistic taste in personal appearance includes modesty and simplicity.

Resident students participate in the work program of the college. Students are encouraged to be diligent and wholehearted in their assigned work. We are also aware of the importance of recreation. We encourage intramural sports and other recreation which will develop physical strength, develop good sportsmanship, and minister to both the mental and spiritual life of the individual.

Statement of Doctrine

Kentucky Mountain Bible College is committed to the Wesleyan interpretation of Christian doctrine and expects all members of faculty and staff to affirm yearly their allegiance to the following doctrinal position.

1. The supreme authority, the divine, plenary inspiration of the Holy Scriptures, inerrant in the original.
2. One God, self-existent, revealed in three persons: Father, Son, and Holy Spirit who are co-equal and co-eternal.
3. The deity of Jesus Christ, His virgin birth, vicarious atonement, bodily resurrection, and personal pre-millennial return.
4. The person and the deity of the Holy Spirit.
5. The lost condition of man who was made in the image of God and by transgression fell.
6. The universal inheritance of depravity of soul and spiritual death.
7. Justification provided through Christ’s atonement for all who repent and believe.
8. Entire sanctification as an instantaneous work of grace wrought in the believer through faith, subsequent to regeneration, and witnessed to by the Holy Spirit: the heart is cleansed from all sin and filled with the pure love of the Holy Spirit.
9. The progressive growth in grace toward Christian maturity through a consistent Christian life of faith and good works.
10. The resurrection and glorification of the saints and the eternal punishment of the wicked.
11. The ordinances instituted by Christ: water baptism and the Lord’s Supper.

12. A biblical view regarding marital faithfulness and monogamy, requiring abstinence from promiscuity, fornication, and homosexual acts and lifestyle.
13. A biblical view affirming a person's biological sex at birth as God given and therefore how they are sexually defined.

Note: We believe the Scriptural gift of languages recorded in Acts 2 is a gift of a foreign language for the propagation of the Gospel. Speaking in unknown tongues in public or private worship (including "prayer language") contradicts biblical teaching. The practice or promotion of such is not permitted. (While we do not endorse modern charismatic practices, we do maintain warmhearted Christian fellowship with those who do.)

History

Kentucky Mountain Bible College was founded in 1931 by two outstanding Christian leaders, Dr. Lela G. McConnell and Rev. Martha L. Archer, who answered God's call to establish a college dedicated to preparing students for a ministry of spreading scriptural holiness.

The early years of the college were characterized by hardship, sacrifice, unwavering commitment, heroic faith, and joyful service. The founders of KMBC were true spiritual giants! Out of this rich, godly heritage KMBC has grown to be the great school it is today. God's leadership is evident throughout the history of the school and in His choice of the early leaders who laid a good, spiritual foundation!

Since its beginning, 70% of KMBC's graduates have entered Christian ministries. Eighteen percent have served as foreign missionaries in more than sixty countries. An impressive number have risen to leadership positions in many Christian organizations.

Accreditation with the Association for Biblical Higher Education in 1994 brought the college into a recognized position in higher education.

KMBC graduates are promoting and demonstrating scriptural holiness as missionaries, ministers, and lay leaders in America and on mission fields around the world. Alumni are filling places of Christian leadership in many denominations, mission societies, and other Christian organizations.

If such students decide to pursue classes for credit, they must complete the full admission process.

Special Admission

Occasionally, the college grants admission to special students who take a maximum of six credit hours in order to explore the possibilities for continuing their education or to acquire a few credits. Such students may be admitted through a shortened admission process which includes completing an application form, application fee, submitting a written testimony of their Christian experience, one reference, and their most recent academic transcript. Non-degree seeking students, after attempting six semester hours, must either apply for admission as a degree seeking student or make a request to be continued as a non-degree seeking student. If such students decide to pursue a degree, they must complete the full admission process.

Readmission

Former students who left the college in good standing and who wish to be re-admitted must submit a request in writing. Students who were dismissed because of academic or social discipline must wait two semesters before requesting reinstatement. Students returning after social disciplinary issues will be under disciplinary probation for one semester. Students who have attended another college during their absence must submit a transcript of academic work from that college along with the request for reinstatement.

If the period of absence has been longer than two semesters, students must submit a new application, the application fee, a current testimony, and two new references to be contacted for recommendations. The record will indicate the number of hours of academic credit granted, the specific examination for which credit is given, and that the credit is from the College Level Examination Program. CLEP examination results should be in the registrar's office before the semester in which the corresponding class is offered. If you have not completed CLEP examinations before arriving at KMBC, we strongly encourage you to complete CLEP credit during the first year of enrollment. The college courses for which CLEP credit is given, the appropriate CLEP examination for each course, the minimum required score, and the number of college credit hours given are the following:

Registration and payment for online courses (synchronous and asynchronous) must be complete before the course start date. Completed payment includes submitting the current year FAFSA, if the student desires to have federal student aid considered as part of the payment arrangements.

A charge of \$50.00 will be added to accounts every time a payment is not paid on time. Failure to pay may result in loss of access to Populi and unenrollment from KMBC. Students who have any unpaid school accounts with the Business Office, Bookstore, Library, Financial Aid Office, or the Dorm Supervisor must make satisfactory arrangements with the Business Manager before final examinations may be taken or grades will not be posted.

If a check or draft which has been accepted in the Bookstore or the Business Office is returned by the bank because of insufficient funds, a \$50.00 charge will be added to the student's account.

Textbooks and Supplies

Textbooks and supplies purchased through the KMBC Book Store may be paid for in cash, by credit card, or charged to the student's account.

Collection Fees Collection

Fees for a delinquent account will be paid by the student. The student agrees to reimburse the institution the fees of any collection agency, which may be based on a percentage at a maximum of 33% of the debt, and all costs and expenses, including reasonable attorneys' fees, the institution incurs in such collection efforts.

Transcripts

Transcripts may be issued for current students whose accounts have been paid in full. See the "Transcripts Policy" on page 61 for complete details about transcripts.

Campus Work

Resident students may apply for campus work for several hours per week. KMBC credits the student's tuition account based on the minimum wage for all campus work (wage increases are available based on skill and performance). If the student's account is paid in full, the college may reduce the student's employment to prevent a credit balance. Any credit balance will be reimbursed.

Summer Campus Work

Students may apply in the Business Office for summer work on campus. All earnings from summer work will be credited to their accounts. Work may be available in food service, campus maintenance, and secretarial assistance. There is a \$200.00 per week charge for room rent and meals to all students living in the dorm whether or not they work on campus.

Scholarships, Loans, and Grants

KMBC makes every effort within its means to assist students to alleviate the cost of education. It provides scholarships, grants, and loans to students who are seriously seeking to prepare for Christian ministry and service at the college. All of the following require a student to have filled out the FAFSA and have a PELL report received back. Exceptions are for parental refusal to fill out the FAFSA & foreign students.

Students must not be on disciplinary probation. Second semester and following financial aid offers are forfeited if the student is not enrolled. Many financial aid offers are annual and divided in half and half posted for the fall semester and half posted for the spring semester. Second semester students receive half.

Tuition Academic Scholarship

KMBC provides scholarships for students who have a proven record of academic success. These scholarships are awarded to students on the basis of academic merit and for excellent ACT scores. The award amounts for incoming students are based upon their ACT scores. To retain the scholarship, the student must maintain a GPA in the schema below:

<i>Tuition Academic Scholarships for ACT & GPA Scores</i>		
Annual Award Amount	ACT Score	Cumulative GPA
18% of Tuition	28-36	3.97-4.0
15% of Tuition	25-27	3.8-3.96
12% of Tuition	21-24	3.5-3.79

Students must be full-time to receive the full award amount. Part-time students will receive half the percentage amount listed above.

Discipleship/Mentoring Tuition Scholarship (DMTS)

A 17% tuition scholarship will be applied to those who participate in the discipleship/mentoring program. This can be lost in the current semester if the student fails to participate with good faith efforts.

Leadership Tuition Scholarship

A 14% tuition leadership scholarship may be awarded to those students who demonstrate leadership, substantiated by appropriate references. Student must be full time. Decisions regarding the academic scholarships are made by the administrative council.

Institutional Grants

A 6% tuition semester grant is awarded to full-time students not receiving academic scholarships and who are not on academic probation nor provisionally accepted and are not on their second semester or greater of academic support. However, if they are provisional due to a lack of ACT and take the test during the semester, the scholarship is then applied.

KMBC provides some grants to assist students who may be unable to secure funds to attend college. These are available for students who can demonstrate need and who meet the criteria established by the Scholarship Committee. Interested students should make application through the Admissions Office. New applicants who complete a FAFSA and apply for KMBC scholarships by April 15 will be given first consideration. Returning students must submit applications for KMBC Scholarships by May 1. Scholarships for returning students are awarded annually.

KMHA Scholarship

Dependents of KMHA Workers may receive up to \$100 off per tuition hour. Applications must be made to the scholarship committee.

Return of Tuition Scholarships

If a student drops or adds classes during the semester, percentage-based tuition scholarships will be recalculated when the student's tuition charges are adjusted. Recalculations of tuition scholarships will follow the Refund Schedule for withdrawals, except that no recalculation is required once a student remains enrolled for 60% or more of a semester. At that point in the semester, the student is eligible to keep 100% of the tuition scholarship except the discipleship scholarship awarded to him or her.

Students initiate FAFSA adjustments by contacting the Financial Aid Office.

Academic Calendar

The KMBC academic program is based on a year-round calendar, in which the traditional academic year consists of fall and spring semesters, with an optional summer term. The academic year begins with the fall semester, which consists of 15 weeks of instruction time. The spring semester consists of 15 weeks of instruction time, plus an optional one week January Term. Hours enrolled in the January term and spring semester are combined to determine enrollment status and financial aid eligibility for the spring semester. The academic calendar concludes with an optional summer term with an optional one week May Term. The summer term consists of up to 12 weeks. Courses offered in the summer semester may extend over all 12 weeks or may be offered in one or more mini-sessions. Hours enrolled in the summer semester, whether for the duration of the term or in any number of mini-sessions, will be combined to determine enrollment status and financial aid eligibility. Start and end dates for each semester are listed in the Academic Calendar.

Types of Federal Financial Aid

Grants (Need Based)

Federal PELL Grant

The Federal PELL Grant Program provides need-based grants to low-income undergraduates to enable them to attend college. PELL Grants amounts are determined by the financial resources of the students' families and the current years' program funding. PELL Grant recipients in the fall and spring semesters

may also receive a PELL Grant offer during the summer term. Any unused Pell during the academic year is applied first. Thereafter, students may not receive more than 50% of their scheduled offer during the summer term. To qualify for Pell during the summer term, the student must remain enrolled at least half-time (6 credit hours). Dropping below half-time status at any time during the summer status disqualifies the student from receiving the Pell award.

Federal Supplemental Education Opportunity Grant (FSEOG)

Provides need-based grants to assist students with financial needs that are unmet by other programs. Funds are awarded by the Financial Aid Director. No additional application is required.

Federal Financial Aid, Loans (Need Based and Non-Need Based)

Direct Stafford Loans, from the William D. Ford Federal Direct Loan (Direct Loan) Program, are low-interest loans for eligible students to help cover the cost of higher education. Eligible students borrow directly from the U.S. Department of Education at participating schools. Students must complete Entrance Loan Counseling and an MPN to obtain a Direct Stafford Loan. Students must be enrolled in a total of at least 6 credit hours over the first or second semester to be eligible for Direct Student Loans.

Direct Stafford Loans include the following types of loans:

Federal Direct Subsidized Loans (Need Based)

Direct Subsidized Loans are for students with financial need. The amount a student is eligible to borrow is determined by the student's EFC and Cost of Attendance. Interest begins accumulating as soon as the student graduates, drops below 6 credit hours, or withdraws.

Federal Direct Unsubsidized Loans (Non-Need Based)

Student does not need to demonstrate financial need to receive a Direct Unsubsidized Loan. Interest accrues (accumulates) on an unsubsidized loan from the time it is first paid out.

Federal Direct PLUS Loan for Parents (Non-Need Based)

Parents of dependent students may apply for a Direct PLUS Loan to help pay their child's education expenses as long as certain eligibility requirements are met. Eligibility is not based on need.

Federal Work Study

This work study program is funded by the federal government. Students are assigned on-campus work, community service, and as tutors under the America Reads Program and America Counts Program.

KMBC Satisfactory Academic Progress (SAP) Policy

All financial aid recipients are required to meet Satisfactory Academic Progress (SAP) according to Title IV Program federal regulations and policies set by KMBC. The intent of these policies is to ensure that students receiving financial aid are making satisfactory progress toward completion of an approved degree in a reasonable period of time and within a reasonable number of credit hours.

Regulations require a student's progress for financial aid purposes to be measured both qualitatively and quantitatively. In addition to a student's cumulative grade point average (qualitative), students are also required to pass a percentage of all attempted course work and to complete their program of study within the maximum time frame allowed (quantitative).

Standards of Progress

To receive financial aid, the student must maintain satisfactory academic progress toward an eligible program of study according to the following standards:

Qualitative Standard (Grade Point Average):

Students are required to maintain the following cumulative grade point average (GPA):

<i>Hours Attempted</i>	<i>Cumulative GPA</i>
0-18	1.0
19-30	1.5
31-59	1.8
60 and above	2.0

Quantitative Standard:

Completion Rate Requirement (Pace)

Students must successfully complete 67% of the cumulative credit hours attempted. (Ex: 12 hrs attempted x 67% = 8 hrs / 60 hrs attempted x 67% = 40 hrs)

Maximum Time Frame Requirement

Students must finish their degree program within 150% of the program's length.
(130 hrs x 150% = 195 hrs)

Students not meeting the Time Frame standard will immediately become ineligible for all federal aid programs. The Financial Aid Office has the authority to cancel aid and request immediate repayment of federal aid at any time that a student is deemed ineligible.

Measuring Satisfactory Academic Progress Evaluation

SAP will be evaluated at the end of each semester.

Warning Semester

If at any SAP evaluation a student fails to meet SAP requirements, the student will be placed on Financial Aid Warning and may continue to receive Title IV federal student aid for one additional semester. In the event the student meets SAP at the end of the Warning Semester, the student will be restored to good standing SAP status. Students are not limited to the number of times they may be on a Warning Semester during their academic enrollment.

Financial Aid Probation

To receive Title IV aid after the Warning Semester the student must be making SAP or be placed on Probation following a successful Appeal. A student on Financial Aid Probation:

- May receive Title IV funds for one semester.
- Must be making SAP or following a prescribed Academic Plan to receive Title IV funds for the following semester.

Students are not limited to the number of times they may Appeal or be placed on Probation during their academic enrollment.

Financial Aid Termination

Students who fail to meet SAP Standards by the end of a Warning Semester (unless an Appeal is granted) or by the end of a Probation Semester, will have their financial aid terminated.

Reinstatement

Students whose financial aid eligibility has been terminated due to unsatisfactory academic progress may have their financial aid eligibility reinstated by:

- Meeting the minimum SAP standards at the end of any subsequent semester.
- Submitting a successful Appeal.

Appeal

Students may request to have their financial aid reinstated if they have had extenuating circumstances as:

- Severe, prolonged illness or injury of student
- Death of an immediate family member
- Other extraordinary circumstances that were beyond the student's control

A written letter of appeal must be submitted to the Financial Aid Office and must explain why the student failed to meet the Satisfactory Academic Progress Policy and what has changed in the student's situation that will allow the student to meet the Satisfactory Academic Progress Policy at the next evaluation. The Financial Aid Director will review the appeal and determine whether a probationary semester is justified. Appeals approved will require that the student comply with all SAP standards by the end of the probationary semester or be in compliance with their Contract for Academic Success issued by the Admissions and Retention Committee. The student will be advised in writing of the appeal decision.

Notification

Written notification will be sent to students placed on Financial Aid Warning, Financial Aid Probation, and Financial Aid Reinstatement.

Treatment of Special Grades

CR – (Credit)

Courses taken for credit may not affect GPA but will be counted as hours attempted and earned.

I – (Incomplete)

An incomplete grade does not earn credit or influence the grade point average in the semester in which the course work was taken. However, an incomplete grade will count toward total credits attempted. Once the incomplete has been resolved and a passing grade has been earned, the credits and the grade will then be counted toward satisfying SAP requirements.

NC – (No-Credit)

Students receiving this grade do not earn credit but hours are counted as attempted. GPA is not affected.

R – (Repeated Courses)

Repeated courses count as attempted hours but only the higher grade is used in computing one's GPA. Credit hours in repeated courses will count only once.

W – (Withdrawal)

Courses dropped during the drop period of the semester will not count as a class attended. (See the "Academic Calendar" for dates.)

WP – (Withdrawal/Pass)

A course withdrawn with a passing grade after the drop period but before the half-way point of the semester will count as hours attempted but not earned. Does not affect GPA. (See the "Academic Calendar" for dates.)

WF – (Withdrawal/Fail)

A course withdrawn with a failing grade after the drop period but before the half-way point of the semester will count as hours attempted but not earned. Does not affect GPA. (See the "Academic Calendar" for dates.)

Treatment of Transcript Notations: (Notations give additional information about classes)

AU – (Audit)

Does not count as attempted or earned hours. Does not affect GPA.

D – (Developmental)

Counts as attempted but not earned hours. Does not affect GPA.

R – (Repeated)

Count as attempted hours. Only the course with the higher grade counts as earned hours and is used to compute GPA.

T – (Transfer)

Hours transferred into a program count as attempted and earned hours but are not computed into GPA.

Withdrawal and Refund Policy

To officially withdraw from the college, students must fill out the “Request to Withdraw from School” form (see kmbc.edu/registrar). After completing the form they must have it approved by the Business Manager. The Business Office will then calculate any refund from the day the withdrawal form is submitted to the Vice President of Academic Affairs office. According to federal regulations, any financial aid disbursed may be subject to repayment by students. Any student who owes a repayment on grants previously received or is in default on a loan is ineligible to receive additional financial aid.

Students who officially withdraw from KMBC during the first week of classes shall be entitled to the below listed refund excepting the \$25.00 application fee and the \$25.00 registration fee.

Return of Title IV Funds

If students completely withdraw from school or change enrollment status during the semester, a portion of the total amount of federal Title IV aid disbursed to them must be returned to the financial aid programs. The portion that must be returned is based on the percentage of time the student remains enrolled in school. This procedure is based on the date of withdrawal.*

For example, students who remain enrolled for 10% of a semester will be eligible to keep 10% of the total Title IV aid disbursed to them. The balance (or 90%) must be returned to the Title IV Program(s). Students who remain enrolled for 60% or more of a semester will be eligible to keep 100% of the total Title IV aid disbursed to them.

When students withdraw,* the financial aid office will automatically use the students' "institutional refund" as payment toward what must be returned to the Title IV programs. However, students may be required to repay a portion of the aid funds that were directly disbursed to them in the form of a residual check.

The student will be notified of and billed for any funds that must be repaid. Student loan funds are to be repaid according to the terms of the loan. Funds will be returned first to the Title IV loan program and then the Title IV grant programs in the following order:

- Unsubsidized Federal Stafford Loan

- Subsidized Federal Stafford Loan
- Federal PELL Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- The student

*Withdrawal date is defined as the actual date the student began the institution's withdrawal process, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

Repayment Policy

When a student receives a cash disbursement based on credit balance in the student account after financial aid has been credited, and withdraws on or after the first day of class but before the end of the period of enrollment for which the student received the financial aid, it will be determined if a repayment will be required from the student.

A repayment may be due if the student has received a cash disbursement to cover books and supplies, transportation, and other non-institutional expenses. After the repayment calculation has been completed, the student will be informed if a repayment is due.

Leave of Absence Policy

In the event, during an academic term, a student is unable on a temporary basis to continue coursework, the student may request a leave of absence. A leave of absence must be submitted in writing to the Vice President of Academic Affairs. The written request must be signed and dated and include the purpose or reasons for the leave of absence. A leave of absence may not exceed 180 days in any academic year. Criteria for the leave of absence is limited to:

- Physical or mental health treatment of the student
- *Bona fide* family emergency
- Other extraordinary circumstances beyond the student's control

Students may re-enter at any time before the leave of absence ends. Upon re-entry within the leave of absence period, the student will resume coursework at the same point the student exited at the beginning of the leave of absence period. The leave of absence must be requested before the student intends to stop attending classes.

Failing to re-enter school before the leave of absence ends may result in the student being marked as a withdrawn student.

Timing of Disbursements

The amount of any Unsubsidized Direct Loan accepted by the student is divided into two halves and posted to student accounts at two intervals in the regular semester. In the fall semester, one-half is posted around September 30th, and the other half is posted around October 30th. In the spring semester, one-half is posted around March 15th, and the other half is posted around April 15th. All other student financial aid, including Pell Grant, Supplemental Education Opportunity Grant, any Subsidized Direct Loan accepted by the student and most institutional scholarships, are generally disbursed and posted to the student's account as soon as practical in the regular semester.

ACADEMIC INFORMATION

Academic excellence is a high priority within the KMBC community. Professors challenge students to think, learn, and excel for the glory of God and the advancement of His Kingdom. Academic preparation is an important part of sharpening the reapers' sickle as they prepare to enter the harvest field and reap souls for Christ.

KMBC offers both residential and online classes. Online classes are offered through synchronous and asynchronous formats. Students desiring live interaction with the instructor and classmates may attend most residential classes online in a synchronous format. Synchronous online learning involves set class schedules and live participation in lectures along with live interaction with classmates. For students who need greater scheduling flexibility, KMBC offers many online classes asynchronously, in which recordings and course assignments are posted in the learning management system for later viewing at the student's convenience. Interaction with the instructor is still expected, but live participation in lectures is not required. A selection of KMBC's asynchronous online courses may offer flexible enrollment throughout the semester.

Faculty Advisers

Members of the faculty are always ready to counsel with students about registration or other problems. Each student is assigned to a faculty adviser who will provide guidance concerning the student's academic program.

Residential Student Policies

Registration

The registrar furnishes information and instructions for registration. Students are expected to register prior to the first day of the academic term. A fee of \$25.00 is charged those who enroll after the first day of the academic term. Satisfactory financial arrangements are expected to be in place prior to beginning the academic term.

Student Load

The normal course load is 15 to 17 semester hours. The minimum full-time load is 12 hours. Students who wish to attempt more than 17 semester hours must have permission from the faculty. Resident students are required to enroll in at least 8 semester hours.

Course Changes

Changes in registration are made in the Registrar's Office. Courses may be added during the first week or dropped during the first two weeks of a semester. A fee of \$5.00 is charged for a change of a course unless the change has been initiated by a faculty member.

Online Student Policies

Registration

The Registrar furnishes information and instructions for registration. Students are expected to register prior to the first day of the course start date. A fee of \$25.00 is charged those who enroll after the first day of the course start date. Satisfactory financial arrangements are expected to be in place prior to beginning the course.

Student Load

There is no minimum credit hour requirement for online students. A total semester course load of less than 6 credit hours is considered to be less than half-time enrollment. A total semester course load of 6 to 8 credit hours is considered to be half-time enrollment. A total semester course load of 9 to 11 credit hours is considered to be three-quarter time enrollment. A total semester course load of 12 or more credit hours is considered to be full-time enrollment. Students who wish to attempt more than 17 semester hours must have permission from the faculty.

Course Changes

Changes in registration are made through the registrar's office. Course add and drop dates are found in the "Academic Calendar." Coursework must be completed by the end of the semester.

Withdrawal from a Course

To withdraw from a course a student must complete the "Request to Withdraw from a Class" form (see kmbc.edu/registrar) and return it to the registrar's office.

A student may withdraw from a course after the drop period but no later than the half-way point in the semester. This is the 7th week of the Fall and Spring semester and the 6th week of the summer semester. (See the "Academic Calendar" for details.) Courses dropped before this half-way point will receive a WP or WF. (See page 45 for an

explanation of these symbols.) This will not affect one's GPA, but it will affect one's attempted credits. After this half-way point, dropped courses will receive an F. Refunds for withdrawals will be made according to KMBC's "Withdrawal and Refund Policy" on pages 46-47.

Course Audit

Residential

Students may audit a residential course at KMBC for continuing education purposes (CEU) or for their own personal enrichment. Auditing a course allows the student to receive the benefits of the course instruction without the time commitment required for degree seeking students. The student is welcome to participate fully in each class and complete as much coursework as their schedule allows. Provided that the student's course work has been satisfactorily completed, the student may opt to upgrade the audit to college credit by paying the tuition difference before the end of the term. For those desiring audit on a transcript or CEU verification, the student must attend 2/3rds (66%) of the class sessions.

Online

CEU / Course Audit

KMBC offers both synchronous and asynchronous online courses. Synchronous courses may be audited using the same policy above. For students desiring audit on a transcript or CEU verification for an asynchronous course, the student must satisfactorily complete 2/3rds (66%) of the class assignments.

Personal Enrichment

For asynchronous, online courses at KMBC, the student may opt to take the course for personal enrichment at an additionally reduced rate. This allows the student access to all course materials for their own personal enrichment. Assignments will not be graded.

Grading

Grading Scale

A	96-100%	Represents work of outstanding quality, involving aptitude, achievement and initiative
A-	94-95%	
B+	92-93%	
B	88-91%	Represents above average accomplishment both in quality and quantity
B-	86-87%	
C+	83-85%	
C	79-82%	Represents satisfactory work
C-	76-78%	
D+	73-75%	
D	69-72%	Indicates inferior work, lowest passing grade
D-	66-68%	
F	0-65%	Failure
CR		The course has been completed successfully but a letter grade is not given.
I		Incomplete
W		Indicates authorized withdrawal
WP		Withdrew, passing
WF		Withdrew, failing

An “incomplete” grade may be allowed for illness or family emergencies which cause a student to miss classes. In such a case, students will be given a maximum of three weeks after the close of the semester to make up the incomplete work for a letter grade. Work which is not completed within three weeks will become an F. Incomplete work in courses for reasons other than illness or family emergencies will result in a lowered grade or (if insufficient work has been completed) an F. Any exception to the above will require a majority vote of the faculty.

Grade Reports

Grade reports are available to students in the learning management system after the end of each semester.

Credit

A semester hour is defined as academic credit given for one recitation period per week, fifty minutes in length, for 15 weeks. Credit is given for work successfully completed by the student for which a grade of A, B, C, D, or CR (credit) has been earned. This definition of a credit hour is consistent with ABHE recommendations.

Scholastic Standing

Scholastic standing or cumulative grade point average is the ratio of the total number of quality points received to total number of semester hours attempted by the student. Quality points are earned as follows:

A	4 quality points for each semester hour
A-	3.6 quality points for each semester hour
B+	3.4 quality points for each semester hour
B	3 quality points for each semester hour
B-	2.6 quality points for each semester hour
C+	2.4 quality points for each semester hour
C	2 quality points for each semester hour
C-	1.6 quality points for each semester hour
D+	1.4 quality points for each semester hour
D	1 quality point for each semester hour
D-	.6 quality points for each semester hour
F	0 quality points for each semester hour
CR	Not computed in scholastic standing

Honors

Students graduating with a BA will be graduating “with honor” (*cum laude*) if they attain a cumulative GPA of 3.5 to 3.69; “with high honor” (*magna cum laude*) if they attain a cumulative GPA of 3.7 to 3.89; and “with highest honor” (*summa cum laude*) if they attain a cumulative GPA of 3.9 to 4.00.

Academic Support

When a student fails to earn the GPA listed below in any semester, the Registrar will request a meeting with the student in order to explain the grades which the student must earn to qualify for graduation. The Admissions & Retention committee reserves the right to restrict the number of hours a student on academic support may take in a given semester. The student will be assigned academic support measures to assist the student with raising their GPA until their cumulative GPA is above a 2.0.

Hours Attempted	Academic Support
0-18	1.8
19-30	1.9
31 and above	2.0

Academic Probation

Students may be placed on academic probation for failing to meet a minimum semester GPA and for failing to maintain a minimum cumulative GPA.

Semester GPA

Unless a student is meeting Satisfactory Academic Progress, a student who earns a semester GPA of less than the GPA's listed below in two consecutive semesters will be placed on academic probation.

Cumulative GPA

A student whose cumulative GPA drops below the GPA's listed below is automatically placed on academic probation.

The Admissions and Retention Committee will establish disciplinary measures intended to restore such students to academic success. Students may forfeit the privilege of representing the school in official groups. When a student is on academic probation for two consecutive semesters, the student will be dropped from school for academic deficiency. The Admissions and Retention Committee may take action to re-admit such a student on probation. The following grades received from the course taken will not be considered as credits completed: “F”

grades, withdrawal (W), and Incomplete (I). Withdrawal from school has no effect on the student's satisfactory progress upon reentering.

Hours Attempted	Semester GPA	Cumulative GPA
0-18	<1.0	<1.0
19-30	<1.5	<1.5
31-59	<1.8	<1.8
60 and above	<2.0	<2.0

Classification

At the beginning of the fall semester registration, students are classified according to their total credit hours.

Freshman	0-29 semester hours
Sophomores	30-59 semester hours
Juniors	60-89 semester hours
Seniors	90 or more semester hours

Students who choose the two-year Associate of Arts degree program who qualify for graduation will be privileged to participate in graduates' testimony service and Commencement. Associate of Arts graduates will wear gray caps and gowns with purple and white pendants. Special or part-time students will affiliate with a class on the basis of semester hours earned. For membership in a class or for the privilege of participating in class activities, regular students must satisfy completely the classification requirements.

Attendance Policy

Class and Chapel Attendance

Regular class and chapel attendance is required. Excuses for classes may be granted for:

- serious illness or death in the family.
- personal illness with permission of dormitory supervisor.
- Field Ministry assigned or other assignments approved by the school.
- emergency assignments.

Students are responsible for all class work missed. Grades may be lowered for excessive absences. If 20% of the classes are missed in a given course for any

reason, the student automatically fails and is suspended from further attendance. Appeals will be considered by the Vice President of Academic Affairs. Students are responsible for punctual fulfillment of all assignments.

Unexcused Absences

Students will be allowed one unexcused absence for each hour of class credit without penalty. Learners who take a three credit hour course which is concentrated into two sessions per week will be permitted only two unexcused absences per semester.

Examinations and Tests

Written examinations are given for most courses at the end of each semester. In addition, occasional tests are given throughout the semester. When necessary, late or special tests and examinations will be given at a time specified by the teacher. See “Special Fees” on page 34 for information on the amount of the fees charged.

Plagiarism Policy

Kentucky Mountain Bible College seeks to follow the highest ethical principles including those involving research, writing and completion of course work. KMBC expects students to complete course work honestly and without plagiarism and will provide instruction in proper citation and acknowledgment. The following definition is provided by the Plagiarism Policy Statement as adopted by the Faculty of Saint Louis University School of Law on April 28, 2004.

I. PLAGIARISM DEFINED

Plagiarism results from the unacknowledged use of material found in print sources, oral presentations, or visual, electronic or other media sources. Plagiarism does not require an intention to deceive. It can result when a student submits as his or her own work ideas, language, data or other material contained in a source not acknowledged by the student, if the student knew or should have known that such acknowledgment was required. Plagiarism includes, without limitation, the following:

A. Submitting another author’s published or unpublished work, in whole, in part, or in paraphrase, as one’s own work, without fully and properly crediting the other author with footnotes, citations or other bibliographical reference.

B. Submitting as one's own original work any material, including data, tables, graphs, charts, or other visual material obtained from any source, without acknowledgment and citation of the source.

C. Submitting as one's own original work material produced through unacknowledged collaboration with others, unless such collaboration is permitted by the instructor.

II. EXPLANATIONS

Plagiarism as defined above is any use of a source—for example, another person's words, ideas, data or visual material—without proper acknowledgment and citation.

A. Acknowledgment and citation of a source must be sufficient to specify the extent of the student's use of the source. It is not sufficient merely to cite the source in a bibliography, footnote or other reference if specific words, ideas or other material are appropriated without specific acknowledgment.

B. Plagiarism is not limited to unacknowledged copying of another author's words. Plagiarism results from any unacknowledged use, even when ideas taken from a source are expressed in the student's own words.

C. All material taken from a source, including citations, numerical data, formulae and equations, organization and format, graphical or visual materials, must be acknowledged and cited, just as words and ideas must be acknowledged and cited.

D. Material appropriated from any source, including the internet, speeches and lectures, or films, television, radio and other visual or audio media, must be acknowledged and cited, just as material appropriated from print sources must be acknowledged and cited.

E. Plagiarism can result when no deception could have occurred, as when a student makes unacknowledged use of a source recommended by the teacher.

Plagiarism Policy Statement as adopted by the Faculty of Saint Louis University School of Law on April 28, 2004, Saint Louis University School Of Law, (<https://www.slu.edu/law/academics/pdfs/student-handbook-2021-22.pdf>, pgs. 39-47, accessed June 4, 2024). Helpful examples and explanations are available in this document as well.

When plagiarism is discovered at KMBC it will be immediately addressed. All instances of blatant plagiarism/cheating are reported to the Academic Dean. The

consequences of plagiarism/cheating at KMBC are cumulative across the course of enrollment and will be:

Lack of cooperation with this policy will result in referral to the faculty for immediate action at their discretion.

	<i>Undergraduate Freshmen/ Sophomore</i>	<i>Undergraduate Junior/ Senior; Graduate Student</i>
<i>First Occurrence</i>	Zero on the assignment with possibility to redo the assignment for “D” credit after conference with the Academic Dean and assigning of remedial instruction regarding plagiarism. Mobile Devices Policy

If a student is found using a computer or other similar device during class for something other than current classroom activity, the Vice President of Academic Affairs will be notified. After three occurrences (total in all classes), the student may forfeit the privilege of using a computer or any similar device in any class for the rest of the semester.

Repeat Courses

1. Student may repeat any course in which they earned a grade lower than a C at KMBC. The course must be repeated at KMBC or approved by the Vice President of Academic Affairs.
2. When students repeat a course, both grades remain on the permanent record, but only the higher grade is used in computing the GPA. Each course will be counted as attempted hours but only the course receiving the higher grade will be counted as earned hours.
3. Repeated courses will be so marked (R for “Repeated”) on students’ permanent record.
4. Ordinarily, only three different courses may be repeated.
5. A course may only be repeated twice.

Transcripts Policy

The registrar’s office keeps and maintains student transcripts indefinitely. Upon request, the registrar’s office will send an official transcript of a student’s academic record to whomever they designate. Each student is entitled to one free transcript. Additional transcripts cost \$10.00 each, payable in advance. After a student has left school, his/her transcript will be released only when all accounts are paid. Only the student may request that his/her own transcript be released. Before a transcript may be released, the registrar’s office must receive a signed request from the student. See kmbc.edu/registrar for the “Transcript Request” form.

Privacy Act (FERPA)

Kentucky Mountain Bible College complies with the Family Educational Rights and Privacy Act of 1974 (FERPA) which gives students the right to know what information the college maintains about individual students, the right to ensure the accuracy of that information, the right to know who has access to files of information and for what purposes, and the right to control to a significant extent the distribution of that information outside the institution.

The college considers some information to be directory information which may be disclosed to others without student permission. This includes, but is not limited to, items such as name, address, telephone number, e-mail addresses, photographs, dates of enrollment, classification, full or part-time status, degree(s) received, awards, honors, program of study, previous institutions attended, date and place of birth, and participation in activities. If a student does not want this information released, he or she must submit

a Request to Prevent Disclosure of Directory Information form to the registrar's office. This request remains in effect until revoked in writing by the student.

Educational records will not be released to individuals other than the student except as provided for by FERPA. This provision includes: (1) A parent who claims a student as a dependent on their most recent federal income tax form. The parent must submit a Parental Affidavit for Academic Information to access the student's record. (2) A student who grants access to his/her educational record by submitting a Student Consent for Release of Records. These forms must be submitted for each request. Information regarding FERPA, details on college records protected by FERPA, and forms necessary to withhold or release information may be obtained through the registrar's office.

Field Ministries

Christian Field Ministries are a vital part of the educational program at Kentucky Mountain Bible College and are correlated with classroom work. The Field Ministries Director provides consultation, supervision, and assignments. A non-credit field ministry orientation course is required of all second semester freshmen. Students have the advantage of supervised training in various fields. Specific assignments usually begin in the students' second semester. Various activities include radio programs, preaching, teaching, music ministries, children's work, nursing home, prison, and youth ministries. Elementary school chapel services give valuable experience in presenting children's sermons, object lessons, and Bible stories.

Drama teams, the choir, quartets, and trios frequently minister in surrounding communities and states. A Field Ministries Handbook, available to all students, gives objectives and guidelines for each area of Christian service. All students who earn a bachelor's degree must complete a minimum of six assigned semesters of work in Field Ministries. They must also complete an internship in the field of their academic major. Those who earn the Associate of Arts degree must complete a minimum of three assigned semesters of work in Field Ministries.

Character Requirements

Philosophy

The faculty of the Kentucky Mountain Bible College has adopted a standard of character requirements for graduation that is based upon biblical principles. Students should seek to add Christian virtues to their character through relationship with Christ. KMBC has established character requirements which must be met at a satisfactory level: wholesome attitude, congenial, dependable, a discipler, discreet, financially responsible, forgiving, honest, humble, loving, obedient, patient, peace-making, reputable, self-controlled, self-disciplined, serving, spiritually minded, virtuous, and wise.

The entirety of the KMBC experience is intended to shape Christian character. Various facets of this experience include dorm life, spiritual life, academic life, social life, and work life.

Evaluation Tools

The college will use a variety of tools to assess character development in the life of KMBC students. These tools will include a Character Development Evaluation form, work performance evaluations, Field Ministry evaluations, community service records, and the student's personal testimony. After these tools are administered the faculty advisers shall collect and compile all of these instruments in a personal portfolio of each individual student under that adviser's care. (Further information is available in the Student Handbook, kmbc.edu/admissions/admittedstudents/student-handbook.)

Online Classes

Philosophy for Online Offerings

KMBC offers an Associate of Arts in Biblical Studies and a Bachelor of Arts in Religion with multiple concentrations in a fully-online format. See Programs of Study for a complete list of programs available online.

Enrollment Options

KMBC offers online classes through synchronous and asynchronous formats. Students desiring live interaction with the instructor and classmates may attend most classes offered residentially through Zoom. For students needing greater flexibility, KMBC offers many classes online asynchronously, where recordings of course lectures and course assignments are posted in KMBC's online learning platform, Populi. Several of KMBC's asynchronous courses offer flexible enrollment throughout the semester.

Requirements for Online Learning

In order to take online classes from KMBC, students must have access to a computer with adequate software and internet access. Also, students must sufficiently know how to use their computers. The following list describes the minimum technological requirements for taking online classes:

- A Microsoft Windows computer running Windows 10 64-bit or newer or an equivalent Apple computer.
- We recommend the following minimum computer specifications:
 - 4 GB of RAM (8+ recommended)
 - 1.8+ Ghz dual or quad core processor
 - 80 GB hard drive or larger;
 - Memory card reader
 - NOTE: Some classes such as CO/CE/ED 322 Media Ministries may require a higher minimum computer specifications.
- Office software for creating computer documents, spreadsheets, and presentations. We accept Microsoft Office, OpenOffice (openoffice.org), and Google Docs (google.com/docs/about).
- An up-to-date web browser such as Microsoft Edge, Mozilla Firefox, Google Chrome, or Safari (Apple computers only).
- An email account (e.g., Gmail, Outlook.com [formerly Hotmail.com], Yahoo, etc.). A Gmail account is recommended as several classes require using Google Docs and Google Drive.
- Regular high-speed internet access for viewing videos.
- A PDF viewer such as Adobe Reader for viewing PDF files. This software is free and available for download on Adobe's website here: get.adobe.com/reader/

NOTE: Some classes require additional software not listed above. These classes will list these requirements in their syllabi.

Additionally online students must be comfortable communicating with their teachers via email and instant messaging through KMBC's online learning platform, Populi.

KMBC expects online students to maintain contact with their teachers. Students must know how to email attachments (i.e., email documents, computer presentations, etc.). Students will be expected to know how to browse the internet effectively including how to purchase textbooks online. Also, online students will be expected to know how to use their office software for making documents and computer presentations.

Online Library Guide

Library services are available by email and telephone. Library resources can be checked out by online students. If the resource is not digital, it will be mailed to the online student. Our library has all the resources necessary to meet the needs of KMBC's classes, and the KMBC library catalog is accessible online through Populi.

To check-out resources from our library, follow these steps:

1. Log into Populi and click “Library” in the upper left hand corner.
2. Once you have found a resource, click “Place hold” to place a hold on that resource.
3. Contact our librarian and request for the resource(s) that you have placed on hold to be mailed to you.
4. Our librarian will provide you information on how and when to return the resource(s).

Additional Sources of Resources:

- KMBC participates with OpenLibrary (<https://openlibrary.org/>), an online library and book-lending provider with over 200,000 resources. For information on how to use OpenLibrary, including tutorial videos, visit <https://openlibrary.org/help>.
- KMBC currently requires most students to purchase a personal copy of Logos Bible Software (<https://www.logos.com/>), along with the Holiness Resources package. KMBC offers a recommended discounted package (see the Vice President of Academic Affairs for details). This requirement will be extended to ministerial students studying online as well as those pursuing ordination tracks online.
- KMBC recommends the Holiness Data Ministry, a site full of excellent holiness resources. These resources can also be found at the Wesley Center Online (<http://wesley.nnu.edu/wesleyctr/>) for free online.
- Project Gutenberg (<http://www.gutenberg.org/>) has an extensive online ebook collection (45,000 volumes) of older works that are out of print. While most of these resources would not apply to studies at KMBC, some helpful works are available here.
- Other recommended resources are located in the “Links” tab in the Populi library portal.

Online Research Techniques

Due to the nature of online learning, online students must be able to conduct effective research online. Forums, blogs, and websites without academic credibility such as Wikipedia.com are not acceptable online resources. Online students must be able to locate acceptable scholarly resources online.

- Google Scholar (<http://scholar.google.com/>) is a search engine which searches scholarly resources such as “articles, theses, books, abstracts and court opinions, from academic publishers, professional societies, online repositories, universities and other web sites.”
- Google Books (<http://books.google.com/>) is a search engine for books. There, students can search and preview the contents of numerous public domain and copyrighted books.

Frequently Asked Questions

- How often do I have to be online?
 - You must log in and perform an action at least once every 14 days while your class is in session to be considered an active student. Above that, we simply require that you log in often enough to view and complete your assignments before they are due. Any day, any time.
- Can I get a degree completely online from KMBC?
 - Yes! KMBC offers both an Associates of Arts in Biblical Studies and a Bachelor of Arts in Religion with multiple concentrations in a fully-online format.
- Is financial aid available for online students?
 - Yes! Financial aid is available for all qualifying degree-seeking students, and scholarships are available also! Please contact Admissions to see if you qualify.
- How do I get textbooks?
 - We recommend that you purchase textbooks online from sites such as Amazon.com. Required textbooks and syllabi are listed in the Populi

- What are the classes like?
 - We offer online classes in multiple formats. Classes include video lectures from KMBC professors as well as reading, tests, and assignments.
- How much time is required to complete each course successfully?
 - The amount of time required to complete each course successfully varies. In general, each lesson takes about 3 hours (1 hour to watch the lesson, and 2 hours to complete the homework, on average). So, students should expect at least 6 hrs (for a 2-credit course) to 9 hrs (for a 3-credit course) per week for a 15-week format class. Seven-week classes are twice as fast, so expect 12-18 hours per week.

SPIRITUAL LIFE

Constant emphasis is kept on scriptural, ethical, warmhearted holiness, both public and personal, and to this end, weekly services and other means of grace are devoted.

Private Devotions

Time for communion with God is invaluable for maintaining and deepening the spiritual life. For this purpose, time should be set aside each morning for prayer and private study of the Word. It is our earnest desire that all students will cultivate and maintain this habit, not only during their enrollment in school but throughout their entire life.

Spiritual Encouragement

A Wednesday and Friday noon prayer meeting as well as a late night Friday prayer meeting is open to all who desire to pray and fast for revival and other special needs. Accountability groups, usually numbering from four to five members each, are encouraged among the students of each dorm. They have been the source of genuine spiritual growth and encouragement for those participating. There are other student-led prayer meeting opportunities.

Sunday Services

All students who are not assigned to Field Ministry appointments will either attend the morning service at Mount Carmel Community Church or declare to the Assistant Student Life Director which church the student plans to attend for the semester. KMBC students join the Mt. Carmel Community Church for a refreshing and encouraging Sunday evening service. Classes meet monthly for praise and prayer. The power of the Holy Spirit is often manifested with great joy and blessing in these services.

Discipleship and Mentoring Program

KMBC strongly encourages every student to participate in a discipleship group or mentoring relationship. Each student who meets the program requirements is eligible to receive the DMTS Scholarship. (See “Discipleship/Mentoring Tuition Scholarship” on page 38.)

Chapels

Chapel services, which include preaching, prayer, praise, and testimony, are held Tuesday, Thursday, and Friday. Friday chapel services typically emphasize missions often with guest missionary speakers. Many have heard the call of God at these services. Entire weeks of chapel are often devoted to special topics such as prayer, courtship, holiness, and biblical worldview. Chapel attendance is required of all students.

Chapel Attendance Policy

Chapel is a very important part of the spiritual life at KMBC. All students are required to attend chapel regularly. Students may absence themselves from chapel four times per semester without penalty; thus, they should reserve chapel absences for sickness and personal reasons. Any chapel absences beyond the four permitted absences will be subject to institutional discipline through the office of Student Life. Excessive absences will incur fines as follows:

- 5-8 Absences = \$10 fine per absence
- 9+ Absences = \$25 fine per absence

Attendance will be recorded following the last bell. Students not in their assigned seats will be counted tardy. Two tardies equal an absence.

Off-campus, married, or non-traditional students are expected to attend all chapels. Any exception to this rule must be by special permission of the Assistant Student Life Director. Please submit a written request during the first week of the semester. Students may petition the Assistant Student Life Director immediately and in writing regarding any extraordinary circumstances that result in chapel absences.

Revivals

Revivals at the beginning of each semester have proved to be spiritual feasts under the outpouring of the Holy Spirit. Our guest speakers are often outstanding leaders of the holiness movement. Many spiritual needs are met, and all are greatly enriched in their faith.

Ministry Teams

Two music teams and several camp counseling teams extend the grace and love of God during both the school year and the summer. Their ministry reaches primarily churches, community activities, and youth rallies during the school year, but includes family and youth camps while on summer tour. Prison ministry and pro-life ministry opportunities are also available.

During mid-year break (December-January) a ministry team is often organized to travel to a mission field to work and witness. In the past teams have gone to Kenya, Uganda, Argentina, Bolivia, Ukraine, Paraguay, Inter-City missions, and the Native American field.

STUDENT LIFE

Student life at Kentucky Mountain Bible College is something to be treasured. Students form deep friendships with faculty, staff, administrators, and each other that encourage spiritual, academic, and social growth. These friendships last well after graduation and departure from the warm family environment at KMBC. Students will discover that night conversations with a roommate, prayer meetings with dorm mates, a special move of the Holy Spirit in chapel, a conversation with professors in their office will be a blessing. All of these experiences build strong relationships that let students know that they are prayed for, cared for, and loved at KMBC. The relationships formed at KMBC will bless lives and ministries for many years.

One should never confuse KMBC's regimented lifestyle of conduct, dress, and schedules with legalism or a lack of love, warmth, or acceptance. Each student is prayed for during the recruitment, application, and enrollment processes. Students attend KMBC under divine appointment. All of the energies of a loving, sacrificial, professional team are poured into each student while working, living, studying, and playing together make this experience a high point in life.

Conduct

In a spiritual community, high standards of morality, conduct, and culture are maintained. Friendliness, courtesy, and kindness contribute to the development of true Christian character. Tobacco, alcohol, illegal drugs, rock music, theft, immorality, gambling, lying, profanity, dancing, cheating, and pornography are forbidden.

The KMBC Student Handbook (kmbc.edu/admissions/admittedstudents/student-handbook) which contains detailed information about regulations, schedules, permissions, and activities will be distributed to students during the new student orientation.

Sexual Harassment Policy

KMBC is committed to a campus environment that is free of harassment and intimidation based on age, color, disability status, marital status, national origin, separate ethnicity, race, sex, religion, or veteran status. All students are responsible for maintaining a professional academic environment where sexual harassment is strictly prohibited. Unwelcome sexual advances, request for sexual favors, and other verbal, written, or

physical conduct of a sexual nature constitute sexual harassment inasmuch as they interfere with a professional, academic environment and create an intimidating, hostile or offensive environment. All such conduct is specifically prohibited. In the event any such conduct should occur, the Title IX Coordinator or Assistant Student Life Director should be contacted immediately. All reports will be kept confidential except as required to adequately investigate alleged occurrences. Sexual harassment is a serious violation of the KMBC student life code of conduct. Further policy elaboration may be found in the Student Life Handbook.

Sanctity of Human Life

Kentucky Mountain Bible College affirms the Scriptural position that all human life is sacred, having been given value by God at conception, and therefore must be both respected and protected. Taking human life through abortion, homicide, assisted suicide, and suicide is inconsistent with Scripture and abhorrent to God. As a result, KMBC prohibits all members of its community from promoting or participating in any act of, or support of, abortion regardless of the stage of pregnancy. The college also retains the right to terminate any member of the faculty, staff, or student body for the violation of this basic human right. KMBC does understand that where a pregnancy puts the life of the mother in serious risk, triage decisions may need to be made in consultation with the mother, her pastor, family, and doctor. It is clearly recognized, however, that God's mercy, forgiveness, and restoration is extended to all those who have made the unfortunate choice to have an abortion and who are willing to repent.

Sanctity of Marriage and Human Sexuality

The fundamental Biblical and philosophical goal of Kentucky Mountain Bible College is to develop students into mature, Christian individuals. Of necessity, this involves KMBC's understanding and belief of what qualities or characteristics exemplify a Christlike life (Romans 8:29; 2 Corinthians 3:18).

1. We believe the Bible to be the inspired, authoritative Word of God. Therefore, everything we say and do must be under the guidance and authority of the Scriptures. Our integrity depends on consistent application of our commonly understood biblical truths (2 Timothy 3:16-17; Psalm 19:7-11; 2 Peter 1:20-21).
2. We uphold the sanctity of marriage as a God-ordained, special union between a man and a woman, where sexual relations are both honored and affirmed by God

(Genesis 1:27-28, 2:24-25). The Bible teaches that all sexual unions outside of marriage, as thus defined, are sinful (Hebrews 13:4). When dealing with sexual sins, we have no alternative but to follow the teachings of Scripture, as we understand them, and consistently apply those teachings to both heterosexual and homosexual situations (Proverbs 6:29; Ephesians 4:17-24). We understand that sexual sins of all kinds stem fundamentally from an individual's brokenness, and it is God's intention to heal the broken and make us whole.

3. We understand the Bible to teach that we must oppose all sexual sin while demonstrating compassion for those who fall victim to it, distinguishing between the value and identity of each person as an individual, and the behavioral choices which some individuals make (Galatians 5:19-25; 1 Corinthians 7:1-3). We understand the Bible to differentiate between recognition of person-hood and rejection of those actions which it defines as immoral, while simultaneously extending forgiveness and healing to all who respond in believing faith to its universal offer of God's grace (John 8:3-11; Luke 15:10).

All KMBC students are expected to exhibit the Christlike qualities taught by Scripture and to refrain from activities or behavior that is contrary to those teachings. Therefore, KMBC retains the right to refuse enrollment to or to suspend any student who engages in sexual immorality, including any student who professes to be homosexual/bisexual or who is a practicing homosexual/bisexual, as well as any student who condones, supports, or otherwise promotes such practices (Leviticus 18:22; Romans 1:24-32; 1 Corinthians 6:9-20; 1 Timothy 1:9-11).

Gender Identification

KMBC recognizes that some individuals may struggle with the gender identity with which they were biologically created. While the college will compassionately seek to counsel and help that individual to recover a biblical perspective on gender identity, this college affirms the Scriptural position that each individual is both created in the image of God and has been purposely made with the biological gender of their birth. In the light of Scripture and the college's mission, the college is not able to allow an individual of one biological gender to dress and act differently than the one God created them to be. When an individual decides to identify as a gender other than their biological one, it is in the best interests of the individual and the college for that individual to depart entirely from the college community. Departure from the college community is also required if the individual decides on a medical course of action to physically change their biological gender. Both the choice to identify as a gender other than their biological one and to medically change their biological gender are considered as deviations from God's purpose and inconsistent with the mission of this college. Rejection of one's biological sex is a rejection of the image of God within that person. Also, we affirm the biological sex of all persons and that any and all attempts to physically change, alter, or disagree with one's predominant

biological sex is disordered, according to the Bible. (Genesis 1:26-28, Genesis 2:18-24, Romans 1:26-32, I Corinthians 6:9-13, Ephesians 4:17-19, 5:25-27, Colossians 3:5, I Thessalonians 4:3, Hebrews 13:4, Galatians 5: 19, 21).

Dress Standards

The student's attire and appearance are considered important at KMBC. The concern is based on the Christian value of modesty as well as the preparation of professionals for ministry and leadership. Students can find the details of the dress code in the Student Handbook here: kmbc.edu/admissions/admittedstudents/student-handbook.

Body Alteration Policy

Body alteration includes any permanent or removable tattooing, piercing, brands, or implants. KMBC requires that any offensive (vulgar, obscene, or occultic) permanent body art (e.g. tattoos, brands) remain covered with clothing at all times. No removable body piercing may be worn at any time in accordance with KMBC's dress code (see above). As a condition of continued enrollment, students must not receive any new body alteration during the course of their enrollment at KMBC.

Social Life

KMBC seeks to promote a holy atmosphere where Christ is honored in all of our interpersonal relationships. Students are encouraged to develop wholesome friendships. Many students have met and married their life's companion as a result of choosing KMBC. KMBC recognizes that much of contemporary culture does not reflect the biblical values for relationships, and teaches immorality, immodesty, and a disregard for the God given virtues of respect and self-control. KMBC has prayerfully sought to establish biblically-based guidelines that retain and strengthen the biblical

principles dealing with the relationships between the sexes, dating, courtship, and marriage. (I Timothy 4:9; I Corinthians 7:1, 8:9, 6:18; II Timothy 2:22; I Thessalonians 4:3-8; Hebrews 13:4; Ephesians 5:3). For more information, consult the KMBC Student Handbook (kmbc.edu/admissions/admittedstudents/student-handbook).

Entertainment

KMBC expects its students to avoid all entertainment (streaming, DVDs, videotapes, audio tapes, records, CD's, books, computer and video games, magazines, etc.) that produce, promote, or feature the violent, the sensual or pornographic, and thus undermine God's standard of holiness in heart and life. All entertainment should meet scriptural standards. "Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is lovely, whatever is admirable— if anything is excellent or praiseworthy— think about such things" (Philippians 4:8). ". . . [M]ake up your mind not to put any stumbling-block or obstacle in your brother's way." (Romans 14:13). For more information, see the Student Handbook (kmbc.edu/admissions/admittedstudents/student-handbook).

Internet

KMBC seeks to help our students, staff, and guests develop healthy internet use practices. Personal discipline must be exercised regarding content and time spent on the Internet. Personal standards and boundaries are a necessity for maintaining a holy life in an electronic age.

The college reserves the right to regulate the use of its computing and telecommunications equipment in a manner that is consistent with its mission. We want everyone to use our information services in a way that honors Christ and His Kingdom. Although the college provides for a filtering service across the network, be advised that some information that may be accessible may be defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal. The College does not condone the use or distribution of such materials. Employees or students who knowingly access, download, or distribute such materials through surfing, E-mail or other Internet activity will be subject to disciplinary measures which may include the loss of Internet and E-mail privileges, other restrictions, fines, and/or termination or expulsion.

While employed or enrolled at KMBC, staff, and students are expected to abide by KMBC's handbook policies even when accessing the internet from other sources or locations.

KMBC Network Security Policy

Controlled Network Access (Network Security Policy)

In order to maintain a secure and safe network, KMBC requires authentication in order to access the college network. Unauthorized network access is prohibited. Personal devices are expected to connect to the KMBC network through wireless access “KMBCWIFI.” Device registration is required. Equipment that is not owned or installed by KMBC is not to be physically connected to the network without special written permission from the IT Director. Examples of such equipment could include routers, switches, and network-sharing devices. No users are allowed to share network access without special permission. Users are not allowed to host any content or services through the KMBC network.

Network Security

The use of up-to-date Anti-Virus software is required. Use of KMBC network access requires the client to agree to abide by the KMBC Internet Use Agreement and Network Security policies. KMBC seeks to maintain network integrity, and as a result, excessive use may be regulated in order to maintain quality of service.

Faculty, staff, or students may not install software on KMBC computers and devices without permission from the IT Department. If there is a need for a software installation, please inform the IT Department. Students are not to use office computers for personal use.

Network Monitoring

In order to ensure that users comply with current policy and to maintain a quality network, KMBC reserves the right to track and monitor users, equipment, systems, and traffic on or associated with the KMBC network. Users agree to allow KMBC to monitor all network use and take appropriate action if the user is in violation of the KMBC Internet Use and Network Security policies. Users should be aware that any data sent through or stored on the KMBC network or KMBC equipment should be considered property of the college.

Unlawful Access to a Computer or Data

Unlawful access to a computer is a legal offense. Federal and state law prohibit unlawful access to computer systems. Such activity is defined in Section 434.840-860 of the Kentucky Code as follows:

1. A person is guilty of unlawful access to a computer when she/he knowingly and willfully, directly or indirectly accesses or attempts to access any

computer software, data, computer system or network to defraud or damage another computer system, program or network. (KRS 434.845)

2. A person is guilty of misuse of computer information when she/he receives, conceals, or uses or aids another in doing so, any books, records, documents, property, financial instrument, computer software, computer program, or other material, property, or objects, knowing the same to have been used in or obtained from a violation of KRS 434.845. Unlawful access to a computer will result in cancellation of privileges as well as other disciplinary action which may include fines and termination/ suspension. Specific acts of computer tampering include, but are not limited to, changing the network configuration of your computer, uploading or creating computer viruses or password cracking programs, attempting to use any account or computer system without proper authorization, attempting to intercept network data, or in any way effect a security breach. You agree that you will be fully responsible for your actions and access.

Disclaimer

KMBC will NOT be held liable for any activity or actions of the client if the client is found to be using Internet/network access for illegal purposes. The client hereby assumes all responsibility for activity occurring on, from, or to his/her system.

Results of Inappropriate Use

Results of inappropriate use may include access limitation or termination, disciplinary action, fines, research fees (including internal and external audits), legal consequences, and termination or expulsion. Violations confirmed by the Administration of KMBC may result in the confiscation of the device of the offender for the duration of the semester.

Social and Recreational Activities

The college provides a wholesome atmosphere in which Christian character and healthy relationships may be developed with both students and faculty. Students enjoy planned and unplanned social activities.

The Social Committee of the Student Council sponsors recreational activities including ping-pong tournaments, volleyball, basketball, softball games, bowling, video-watching, and hay rides. Other unplanned recreational activities are available. For information about dating, see the Student Handbook (kmbc.edu/admissions/admittedstudents/student-handbook).

Housing

Residence Halls

All single students, not living with their parent(s) or guardian(s), are required to live on campus in the dormitories. If, because of mitigating circumstances, senior students believe that it would be advantageous to live off campus, they may request such privileges. Requests must be made to the Student Relations Committee via the Vice President of Student Affairs. Requests must be written, giving in detail the reasons for such a request. Each request will be considered on an individual basis.

Rooms are furnished with single beds, dresser, desk, chairs, and a bookcase. Students should bring single sheets, blankets, bedspread, pillow, pillow cases, towels, washcloths, window and closet curtains, an iron, flashlight, and rugs. Dorm size refrigerators and window air conditioners are permitted in dorm rooms. In order to assure proper fit, students should await room assignments prior to purchasing an air conditioner.

In order to preserve the sanctity of Sunday, the administration requests that, if at all possible, students not arrive at KMBC on Sunday. No firearms are allowed on the campus.

Washers and dryers are provided in each dormitory for student use, and facilities are provided for occasional snacks.

Non-Traditional Student Housing

The college has a variety of apartments and mobile homes available for married students and families on campus. The Chatlos Apartments, completed in 1997, offer one and two bedroom units. Mobile homes and efficiency apartments are also available. Contact the Business Office for additional information.

Housing requests must be submitted no later than July 1 for the upcoming academic year. Lease contracts are available from the Business Manager. Since they are part of the community, on-campus residents and their families are expected to follow community standards of dress and conduct.

Automobiles and Motorcycles

Students who desire to keep an automobile or motorcycle on the campus should apply for a permit (i.e. "On Campus Automobile Permit"). Consult the Student Handbook (kmbc.edu/admissions/admittedstudents/student-handbook) for more details.

Health Services

All full-time students are required to participate in the KMBC accident insurance plan. The college does not maintain a medical facility for the treatment of illness or accidents. Free clinical service is provided. A school nurse is on call. Students are responsible for financing their own trips to the doctor or hospital. When a student is under doctor or hospital care, charges are made directly to the student.

Confidentiality of Student Records

KMBC is committed to the privacy and confidentiality of student records as directed by the Family Educational Rights and Privacy Act (FERPA). The college may release financial, academic, and personal information to parents of dependent students eighteen years of age and younger without students' consent. If students are eighteen or older and independent from their parents, they must provide written consent to the college before financial, academic, and personal information is released to the parents. College personnel may reveal generally observed public behavior to parents.

The college may occasionally release a student's directory information (name, address, phone number, year in school, major) to inquiring parties. If students want the college to refrain from releasing directory information, they must provide the Business Office with a written request.

Student Activities

Many opportunities abound for students to participate in student organizations and gain leadership skills. Students must take care to not become so committed to extra-curricular activities that they lose focus as to their primary reason for attending KMBC. The students' purpose must be to prepare for God's call on their lives. Extra-curricular activities can help students discover abilities and develop skills that they will need in order to bless a needy world with the love of Jesus. Participation or leadership in some of the activities or organizations may provide financial assistance or a scholarship toward college expenses.

Fine Arts Ministries

Chorus

The chorus is open to all students who enjoy singing. The group usually presents a Christmas concert and performs for other activities.

Choir

The choir, a select vocal group, performs high quality sacred numbers for school and church audiences. The choir tours during the spring semester every year. To be eligible to go on the tour, students must maintain an academic standing of 2.0.

College Singing Groups

Several vocal groups represent the school in various settings through the summer months and during the school year. A scholarship is awarded to those who sing in these groups.

Camp Counseling Teams

Several teams participate in summer ministry opportunities in youth camps and camp meetings. A scholarship is awarded to those who represent KMBC in these groups.

Student Organizations

Class Organizations

Each class has its own organization with officers chosen by its class members and faculty adviser(s). Each class plans various activities and carries out specified duties.

Missions Cabinet

Friday chapels are devoted to missions. Student officers direct these chapel programs and promote mission awareness on campus. Students are encouraged to participate in work teams and task forces to various mission fields.

Student Council

The student council serves as a liaison between the student body and college administration. The council functions as a forum for student input relative to student life. It sponsors, promotes, and supports school activities. Detailed descriptions of duties appear in the Student Handbook.

Non-Traditional Student Organizations

The Non-Traditional Students' Association (NTSA) is designed to minister to the spiritual, social, and material needs of non-traditional students, both married and single, and to encourage Christian unity and support among the campus community. Non-Traditional Students (NTS) include those who are married, single parents, or single students 25 years of age or older. This designation includes the spouses of NTS that are themselves enrolled at KMBC.

- Location of the ministry or activity (if more than one, include information for each one);
- Dates of the ministry or activity (if more than one, include information for each one);
- Brief evaluation statement from the person(s) to whom you were responsible (include their names, titles, addresses, and phone numbers);

Ministerial Studies Major

Purpose

The ministerial program of studies is designed for students who wish to prepare for pastoral and evangelistic ministries. Students in this program will study general education, Bible, and theology, plus a core of courses in professional studies.

Objectives

The ministerial studies major is committed to the formation of servant-leaders with knowledge, values, and skills which center in loving God and others, and in a commitment to lifelong learning. Students completing the ministerial studies major will have:

- A vital relationship with Jesus Christ that is reflected in spiritual consistency and in a growing Christ-likeness in their character and conduct (cf. "General Objectives," numbers 1, 4, 6)

- Complete their degree program within five years.

Refund Policies

Involuntary or Improper Withdrawal

No refund will be given for dismissal or failure to follow the withdrawal policy.

Refund Schedule

	12-16 Week Courses	8-10 Week Courses	4-6 Week Courses
Withdrawal During the First Week	100%	100%	75%

Title IV Funds

If a student withdraws completely from the institution during any given enrollment period, the amount of the student Title IV funds that should be returned must be calculated. If this calculation indicates that funds should be returned, a specific order of refund has been established by the federal government:

1. To outstanding balances on Direct loans (Unsubsidized Federal Direct Loan, Subsidized Federal Direct Loan, Federal Direct PLUS Loan)
2. To other federal, state, private, or institutional aid
3. To the student

Federal regulations state that students who withdraw from school may keep only the Title IV financial aid funds they have earned up to the date of withdrawal. If a student earns less aid than was disbursed, the institution is required to return a portion of the funds and the student may be required to return a portion of the funds. Once the Title IV funds are returned, the student may have a balance due on his/her school account. When a student withdraws and receives a refund, the Financial Aid Office will automatically use the student's institutional refund as payment toward what must be returned to the Title IV federal student loan programs. The student will be billed by the school if the amount to be returned is greater than the institutional refund to the student's account.

Student Payment Policies

Student accounts are due and payable at time of enrollment. A late fee and loss of student status will occur for failure to pay on time.
